

Beyond PowerPoint to Present Instructional Content

Overview/Objectives: In this session we will explore 5 different types of digital presentation tools that will enhance instruction. These will include Prezi, Nearpod, Tackk, Piktochart, and Thinglink. You will leave this session prepared to move beyond PowerPoint with digital presentations that can be created by both teacher and student.

Session Alignment with TEAM, Digital Citizenship, & ISTE Standards

TEAM Strand: Instruction- Presenting Instructional Content

Digital Citizenship Component: Internet Safety, Creative Credit & Copyright

ISTE Standard:

1. Creativity and innovation
 - b. Create original works as a means of personal or group expression
2. Communication and collaboration
 - b. Communicate information and ideas effectively to multiple audiences using a variety of media and formats

PLC Guiding Questions

1. What is it we want our students to learn?
2. How will we know if each student has learned it?
3. How will we respond when some students do not learn it?
4. How can we extend and enrich the learning for students who have demonstrated proficiency?
